

# NEW TO PICKLEBALL?????

BEGINNER/NOVICE PLAY—TUES & THURS AT NOON

Beginners are given 1 - 4 lessons, then moved to novice for 1 month with no fees while playing during the novice time slot.

After 1 month of novice play, you make the decision to be a SEQUIM PICKLER or play during public time.

If you decide to join the Club and play during Club time, you now decide at what level:

- ◆ BASIC MEMBER - \$50 annual dues + \$5/day to play during Club time (\$2 to play indoors at the Boys & Girls Club).
- ◆ BRONZE MEMBER - \$500\* one time contribution + \$25 annual dues but \$0.00 paid when you play during Club time (\$2 to play indoors at the Boys & Girls Club). Includes reduced cost for league and tournament play.
- ◆ SILVER MEMBER - \$1,000\* one time contribution but no annual dues and \$0.00 paid when you play during Club time (\$2 to play indoors at the Boys & Girls Club). Includes further reduced costs for tournament and league play.
- ◆ GOLD MEMBER - \$2,500\* one time contribution with no annual dues, \$0.00 paid during any Club time, \$0.00 cost for local tournaments and reduced cost for regional tournaments.

\* The one time contribution to become a Bronze, Silver, or Gold member is a capital campaign fund contribution that will be used for capital improvements in the Carrie Blake Park pickleball courts—such as seating and other amenities.
